

Utah OS/OW Permit Binder

1. Authoritative Sources (Live Links)

- **Utah DOT Motor Carrier Division:** <https://dmv.utah.gov/vehicles/oversize> - **Utah Oversize/Overweight Permits Portal:** <https://mcp.utah.gov> - **Contact:** (801) 965-4892 | Email: mccustomerservice@utah.gov

2. Core Permit Rules & Restrictions

- **Permit Required:** For vehicles exceeding Utah's legal limits. - **Legal Limits (without permit):** - Width: 8'6" - Height: 14' - Length: 65' (combination), 45' (single) - Weight: 20,000 lbs/axle or federal bridge formula - **Superloads:** Over 14' wide or 125,000 lbs gross require special review. - **Travel Restrictions:** - Restrictions may apply in Salt Lake metro area during rush hour. - No movement on state holidays unless specified. - **Escort Requirements:** - Loads over 14' wide or 16' high typically require escorts and route surveys.

3. Permit Workflow

1. Carrier submits load dimensions, weights, and route. 2. System checks for restrictions, bridges, and clearance. 3. Permit is issued through the Utah MCP portal. 4. Escort and curfew rules are reviewed. 5. Permit and route must be followed and carried in vehicle.

4. RAG Extraction Checklist

- Vehicle Width, Height, Length - Axle configuration and total weight - Route, dates, and time of travel - Escort triggers (e.g., over 14' wide) - Local curfews (Salt Lake City area)

5. Driver & Carrier Notes

- **Lighting & Flagging:** Flags and amber lights required per UDOT rules. - **Permit Validity:** Usually valid for 5 days. - **Emergencies or Closures:** Dial 511 for Utah road conditions.
